Dear Mr. Ashcroft:

I am writing you today to express my opinion in regards to the Microsoft settlement. I am a Microsoft supporter; therefore, I support this settlement and the end of this costly litigation.

This settlement was reached after extensive negotiations. Microsoft has agreed to fully carry out all provisions of this agreement. Microsoft has agreed to not retaliate against computer makers who ship software that competes with anything in its Windows operating system. A technical oversight committee has been created by the government to oversee Microsoft compliance to this agreement.

This settlement will benefit all of us. Please support this settlement and allow this company to get back to business. Thank you for your support.

Sincerely,

Margaret Green
